

General Training Material Checklist

The following items will need to be in place before Mejestic Healthcare mobile training can be conducted at your facility:

- ☐ A quiet, well lit, distraction-free room with a door that is accessible for all persons
- ☐ Enough adult size tables and chairs to accommodate the maximum number of participants (10)
- ☐ A power source
- ☐ 1 TV with DVD or HDMI capability if applicable. TV screen needs to be at least 19" or larger.

If these accommodations cannot be met, training will need to be held at 410 N. Market St Petersburg, VA. 23803.

Contact us at (804) 712-1897 if you have additional questions. We look forward to working with you!
